-
1. Welcome
 2. Pledge of Allegiance
 3. Reviewed and accepted minutes from last meeting
 - a. Goals have been submitted to the district
 4. Reports
 - a. Critical incident training
 - i. Created a powerpoint that teachers showed (it is also posted on our school website)
 - ii. Each teacher talked about it throughout the day--we didn't actually have a drill, but we talked about it
 - iii. Feedback from teachers, students about what to do if you're in PE, at lunch, or in the hallway. The feedback we have heard has been good, even though there has been frustration that we even have to worry about it.
 - iv. We now have laminated instructions for subs when they come to the building
 - b. Student technology
 - i. See attached info about stats on student technology at our school
 - c. New hires
 - i. We're losing Rachelle Allred in math, Kayla Johnson in math, and Caitlin Naulu in special ed. We've hired Monica Bair (from) Maple Ridge in math, Cristy Bird is moving from special ed to math. The new teachers will be in 7th and 8th. Libby Hilton has been hired for special ed, the other has been offered but we're waiting to hear back. Our art teacher Taneya Elison is leaving and we have hired an intern to replace her. We are sad to lose the teachers we are losing, but we have some good hires.
 5. End of year information
 - a. SAGE Testing schedule (see attached)
 - i. Last year we tried a modified A/B schedule to have a longer time to test, but this year we are trying something a little different again.
 - ii. We've taken our Quest time and put it onto each period at one point. This will hopefully help writing have a little more time. We also have math and English for the first week and science and English for the second week.

1. If they're not testing during that extra time, they are going to use that as a flex time with their class specifically.
 - iii. NJHS will prepare some treats.
 - iv. We can't punish kids for not taking the SAGE, but we are supposed to give an alternate assignment.
 - v. We're eventually moving toward an ACT prep instead.
 - vi. 9th grade doesn't have to take writing this year, and 7th and 8th now has one prompt instead of 2
 - b. Yearbooks
 - i. Yearbooks are \$30 and need to be ordered by next Monday, April 16. If you aren't sure, you can ask the finance office (Brenda Bales) if you have ordered one
 - c. Lagoon
 - i. We have buses scheduled, \$10 a person to ride the bus, and then they get off the bus and buy the ticket then.
 - ii. The student ticket to Lagoon hasn't been finalized by Lagoon yet, but it should be in the 30s.
 - iii. Lagoon is scheduled for Friday, May 18.
 - iv. Parents can get the reduced rate as well if they drive themselves up. If a parent drives a student up, they need to still call and excuse their student. We as a school are only in charge of the students who ride the bus.
 - d. Final meeting
 - i. We've met our minimum requirement. Council motioned and approved not meeting next month.
 - e. For next year
 - i. On next year:
 1. Marye Jane Kiser
 2. Tausha Lewis
 3. Angie Daybell
 4. Sarah Ferrin
 - ii. Needs to be replaced:
 1. Stacey Hatch
 - iii. Up for re-election:
 1. John Taylor
 - iv. We'll personally contact you to remind you to be on again.
6. Adjournment
