November 12th	First day of practice & Parent Information Meeting @ 3:10 - 5:00pm

Practices:

- Monday - Friday at 3:10 - 5:00pm in the west gym
- Students are expected to attend practice EVERY DAY
- Practice jerseys will be worn over your athletic wear
- ****If you are planning on doing the school play, do not plan on playing Basketball this year****

Games:

- Games on Mondays and Thursdays @ 3:30. Parents need to take athletes to all games. There will not be a bus.
- Students are expected to bring their own water bottles on game days
- Away games - Students excused during 7th
- 14 games total - Students will be missing 7th period for away games. You are responsible to communicate make up work with your teacher.

Eligibility:

- Students must maintain good grades and citizenship in all classes.
- Must have at least a 2.5 GPA, zero "F" grades, zero unexcused absences, and zero tardies (unless excused by teacher or administrators)
- Grades and attendance will be checked before every game to determine eligibility.

- If students have lower than a 2.5, have more than one F, or have a “U” citizenship grade for their published grades at the end of the most recent term, they will be not be eligible for sports teams at Springville Junior High for that season.

Coaches:

Shawn Rogers shawn.rogers@nebo.edu

Kent Bernsten kentonx@gmail.com

Please feel free to contact us via email if you have any questions or concerns.

Required Documents:

To be eligible for tryouts you must do three things BEFORE November 11th:

1. **Register** on registermyathlete.com
2. **Download** physical form registermyathlete.com, get a checkup, and have the form filled out
3. **Upload** the physical form (all 4 pages) to registermyathlete.com

Every student needs a current physical form from the district signed by a physician.

Follow these steps to get your physical:

- Go to registermyathlete.com.
- Select Utah as the state. Scroll down and find **Springville Junior High** with the picture of a knight. ***Make sure you *don't* accidentally click on the link to Springville High School instead.***
- Create an account or login as a parent/guardian.
- Sign up your athlete with the girls basketball team and fill in the information it asks for. Here you will also find certain required documents.

- To complete the physical, print of the form provided on registermyathlete (there should be 4 total pages). These need to be filled out completely by the parent/guardian, the athlete, and the physician. Once this is done, upload the physical on registermyathlete by either scanning it or taking a picture of it on your phone. The website may only let you upload one file, so make sure you put all 4 pages into one image before uploading. If it is not the physical form from this website, you will be asked to get it redone with the official forms.
- If this is all done correctly, you will get a confirmation within the week that your athlete is registered. If something isn't filled out correctly or uploaded correctly, you will get a message within the week that says what needs to be fixed. This all needs to be done right in order to participate.

Instructions For Parents

Register My Athlete allows parents to register their student-athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time:

1. **Create an Account/Log In:** Go to <https://registermyathlete.com/> and click Login. Then click Create Account. If you already have an account, just log in with your email/username and password. Now that you are logged in, click on the Parent access portal.
2. **Start a Registration:** To start a registration, click on Start/Complete Registrations on the left hand side, then select Click Here to Start New Registration. The first step will be to select your school and athlete. If this is your first registration, you will need to add a new athlete. If you have already added the athlete, you will have the option to select a previously added athlete.
3. **Select Year and Sport:** The next step prompts you to select the year as well as the sport the athlete will be participating in. Once this section has been submitted, any information up to this point will not be able to be changed. Please review information carefully before submitting.
4. **Your Registration Checklist:** This page shows the status of your athlete's registration. You will be asked to complete several steps to register. These include updating information such as medical, insurance, guardian info, and completing the School Questionnaire to determine eligibility and whether a transfer is necessary.
5. **School Requirements:** This section is where documents will be read and agreed to, legally binding E-Signatures will be completed, physicals will be uploaded, and fees can be paid. Once this section is complete, the registration is complete. Any requirements here that require the parent to upload a document will also require that the school's athletic administration approve the document, so please do not be alarmed if the status is Pending School Approval.
6. **Physical Exam:** The UHSAA requires physical exams annually. Parents may download the appropriate physical form from the previously mentioned School Requirements section of the site. This form needs to be filled out by a physician and then either uploaded or turned in to the school's athletic administration in person.
7. **Complete Registration:** Your registration is complete once all items on the checklist have been completed.

Additional Athletes: If you have additional student-athletes to register, you can start a new registration and add them as an athlete. Once you add them, they will be available to select next time.

Future Seasons & Years: For future years, once your athlete has been added to your account you only need to start a new registration and select them as the athlete. This should speed up the process.
