Minutes

1. Pledge:

- Sarah Ferrin led pledge

2. Approval of September 2020 minutes:

- Claire motions to approve September minutes
- Heather seconds motion to approve minutes
- Council Voted "yes"
- October meeting was at the district office building - School Community Council Training Presentation

3. COVID-19 Update & Nebo Dashboard:

- Summary of all active covid cases district wide.
- High Schools have higher numbers than young school levels.
- Springville Junior is doing great and numbers are staying low.
- A student who is quarantined can get tested on day 8 of quarantine, if they have a negative result then they can come back to school before the 14 day quarantine deadline.
- Teachers are finding new ways to have more social interactions in class for students so they are not only working on chromebooks while still following social distancing guidelines.

4. Update on School Improvement / Trustlands Plan:

- Teacher Student Success Act (TSSA) - funding to help student/school success
- Goal "Create and maintain an effective Multi-Tiered System of Support to increase student learning and support student social and emotional needs."
- Review of all Tier Teams and Team goals / action steps.
- Because of the covid outbreak, we had to change some of the faculty learning plans from last year. Instead of the faculty attending conferences we bought the teachers more educational resources and books. Teachers are reading books and do book studies to learn and grow in areas that will make them more effective in their classrooms.
- Review of the 2020-2021 School Improvement Plan and Budget.
 - If money is not spent in certain areas, the money can be allocated to different places in need throughout the budget.

5. Questions or concerns:

- Quest Time vs Invitation to Success. We are working on inviting students to stay after school to work on assignments and stay caught up with classwork. Some students are taking advantage of the opportunity and some students are not able to stay as well. Student transportation is a roadblock for students since many do not have a ride home if they stay for Invitation to Success.
- Quest Time and the school hour schedule will be reviewed in the spring for future use by the district and by each individual school.
- Claire motions that we do not meet in December 2020 as a Council
- Council Vote "Yes"

6. Closing:

- Principal Tiffanie Miley showed and reviewed the yearly/monthly agenda or topics of discussions for the rest of the school year.
- Claire motioned to close the meeting

End Time : 4:05 pm
